Dear Brandon:

I am pleased to recognize June 13th through the 19th as "National Men's Health Week" in the State of Montana.

I commend you and the Men's Health Network for your advocacy towards positive health attitudes and preventive health practices for males, both young and old.

Thank you for your efforts to educate the public about the importance of disease prevention and early detection, and I encourage Montanans to acknowledge June 13th-19th as "National Men's Health Week."

Sincerely,
