

Office of the Mayor

# Lenoir City, Tennessee

## Proclamation

*WHEREAS*, the governing body of the City of Lenoir City has adopted a policy of recognizing and honoring outstanding individuals, establishments, and organizations within our community; and

*WHEREAS*, Men's Health Network worked with Congress to develop Men's Health week as a special campaign to help education men, boys, and their families about the importance of positive health attitudes and preventative health practices; and

*WHEREAS*, educating the public and health care providers about the importance of a healthy lifestyle and early detection of male health problems will result in reducing rates of mortality from disease; and

*WHEREAS*, men who are educated about the value of preventative health will be more likely to participate in health screenings and fathers who maintain a healthy lifestyle are role models for their children and have happier, healthier children; and

*WHEREAS*, Lenoir City Men's Health Week will focus on a broad range of men's health issues, including heart disease, diabetes, mental health, prostate, testicular and colon cancer, and the citizens are encouraged to increase awareness of the importance of a healthy lifestyle, regular exercise, and medical check-ups; and

*Now, Therefore* I, Tony R. Aikens, Mayor of the City of Lenoir City, do hereby *Proclaim* the week ending on Father's Day as Men's Health Week in this city, and encourage all our citizens to pursue preventative health practices and early detection efforts.

*In witness whereof I have hereunto set my hand and caused this seal to be affixed.*

## Lenoir City, Tennessee

Men's Health Week 2016

As reported by the Lenoir City New Herald in [a story published on June 13, 2016](#):

### City recognizes Men's Health Week

"To commemorate National Men's Health Week, Lenoir City Mayor Tony Aikens and Lenoir City Council recently proclaimed June 13-19 as Men's Health Week in Lenoir City, with the goal of educating residents about the numerous preventable health problems affecting boys and men and encouraging them to live healthy lifestyles."
