WHEREAS, despite advances in medical technology and research, men continue to live an average of five years less than women with Native American and African-American men having the lowest life expectancy; and,

WHEREAS, educating the public and health care providers about the importance of a healthy lifestyle and early detection of male health problems will result in reducing rates of mortality from disease; and,

WHEREAS, men who are educated about the value of preventative health will be more likely to participate in health screening, and fathers who maintain a healthy lifestyle are role models for their children and have happier, healthier children; and,

WHEREAS, Men’s Health Network worked with Congress to develop National Men’s Health Week as a special campaign to help educate men and their families about the importance of positive health attitudes and preventative health practices; and

WHEREAS, the Men’s Health Week web site has been established at www.MensHealthWeek.org and features resources, proclamations, and information about awareness events and activities, including Wear Blue for Men’s Health; and

WHEREAS, the Borough of Fort Lee Men’s Health Week will focus on a broad range of men’s health issues, including heart disease, mental health, diabetes, prostrate, testicular and colon cancer; and

WHEREAS, the citizens of this state are encouraged to increase awareness of the importance of a healthy lifestyle, regular exercise, and medical check-ups.

NOW, THEREFORE, I, Mayor of the Borough of Fort Lee, do hereby proclaim the week leading up to and including Father’s Day, June 12th through June 18th as Men’s Health Week in this borough, and encourages all our citizens to pursue preventative health practices and early detection efforts.

June 8, 2017
