

**PROCLAMATION
MEN'S HEALTH MONTH
JUNE 2019**

WHEREAS, despite advances in medical technology and research, men continue to live an average of five years less than women with Native American and African-American men having the lowest life expectancy; and

WHEREAS, educating the public and health care providers about the importance of a healthy lifestyle and early detection of male health problems will result in reducing rates of mortality from disease; and

WHEREAS, men who are educated about the value that preventive health can play in prolonging their lifespan and their role as productive family members will be more likely to participate in health screenings; and

WHEREAS, fathers who maintain a healthy lifestyle are role models for their children and have happier, healthier children; and

WHEREAS, the Men's Health Network worked with Congress to develop a national men's health awareness period as a special campaign to help educate men, boys, and their families about the importance of positive health attitudes and preventative health practices; and

WHEREAS, the Men's Health Month website has been established at www.menshealthmonth.org, and features resources, proclamations, and information about awareness events and activities, including Wear Blue for Men's Health; and

WHEREAS, the Pryor Creek Men's Health Month will focus on a broad range of men's health issues, including heart disease, mental health, diabetes, and prostate, testicular and colon cancer; and

WHEREAS, the citizens of this city are encouraged to increase awareness of the importance of a healthy lifestyle, regular exercise, and medical check-ups.

NOW, THEREFORE, I, Larry Lees, Mayor of the City of Pryor Creek, Oklahoma, do hereby proclaim June as Men's Health Month in Pryor Creek, and encourage all our citizens to pursue preventative health practices and early detection efforts.

This the 21st Day of May 2019.
